January 2026

Dear Coach,

Welcome to the **2026 Mohegan Sun World Baseball Coaches' Convention!** We are excited to have you here and we applaud your dedication to coaching excellence. Our mission is to provide you with the very best in coaching education, and toward that end we have secured a new group of outstanding clinicians and designed a curriculum that addresses all levels of play and a broad range of coaching areas. Here are a couple of convention notes:

- You will find a **schedule** in this handout. We will update it as needed on our website – BaseballCoachesClinic.com – and on our **mobile app**, designed by Snap! Mobile (to download, see the QR code in this handout or search your app store for World Baseball and Softball CC).
- One of the things that makes this event exceptional is our use of Mohegan Sun's Expo Center, where we offer interactive learning sessions on our **Salt City Sports Demo Infield** and at the **On Deck Sports Batting Cage**. **NEW THIS YEAR**, we will offer the **Extra Inning Workshop presented by Tater Baseball**, where you can have your specific questions answered by top coaches and experts. These sessions complement our mainstage teaching sessions in Earth Ballroom A & B and our breakout sessions in the smaller boardrooms.
- Also **NEW THIS YEAR**, we will now provide you with **FREE lifetime access to videos of most of our sessions**. About three weeks after the clinic, we will send you an email with instructions on how to access these videos.
- **Please join us at our Coaches' Social presented by Snap! Mobile & Salt City Sports** on Friday evening from 5:30–6:45 PM in the Expo Center Hall. Complimentary beer and snacks will be served, our exhibitors will be available, and it'll be a great opportunity to spend time with our presenters and catch up with your coaching colleagues.

As always, we thank our presenters, who have come here to generously share their knowledge of America's national pastime. We thank our sponsors and exhibitors, whose support helps make this event possible. And we thank you – for bringing your enthusiasm – year after year.

Yours in baseball and coaching,

Andy Walker
